EUCHIS – GDPR

We inform all members of the European Chitin Society about personal data which are stored in the member database:

- member number
- academic title / form of address
- last name
- first name(s)
- e-mail address
- member category (status)
- date of last payment of member subscription
- amount paid
- amount due next year
- residential address / ZIP – City – Country
- date of entry in EUCHIS (if known)
- fields of interest

Use of data:

- administration of memberships
- distribution of newsletters or notification of availability of newsletters for download from the EUCHIS website by e-mail
- preparation of annual financial reports (anonymous)
- notification of due annual subscription by e-mail
- notification of payment received by e-mail
- any other communication to members by e-mail
- transmission of name and status of members to the committee of the board (upon request)
- transmission of name, status, and e-mail address of members to EUCHIS conference organizers for confirmation of valid memberships entitled to benefit from discounts on conference fees and any communication in connection with that conference
- we exclude disclosure of data to any other third party
- we exclude disclosure of any personal data to commercial or non-commercial entities who could use them for the purpose of advertisements or any other information
- we are not using any cookies during the processing of member data
- at any time, you are entitled to receive full information about your personal data set stored in the member database
- you may request deletion of your data set from the database at any time, terminating your membership
- you may request not to be contacted by e-mail in the future.

For questions concerning this information, please contact the Secretary (Anayancy.Osorio-Madrado@uni-bayreuth.de). Further information concerning the handling of GDPR by EUCHIS in the web is available through the website of EUCHIS, see <http://euchis.org>.
